Preface

Luzerne County Community College (LCCC) and Marywood University (MU) enter into this Dual Admission Agreement to facilitate the transfer of LCCC students to MU. Under the Dual Admission Agreement, LCCC students will be guaranteed admission into a parallel articulated Bachelor's Degree program (see attachment I) with third year (junior) status at MU on the condition that they do the following:

- Complete a "Dual Admission Intent" form by the beginning of their third semester at LCCC Admissions Office (or before completing 30 credits);

- Student must select a specific major (not "undeclared".)
- Luzerne students who are accepted under the dual admission agreement will be governed by the Marywood degree requirements in effect at the time of their Marywood matriculation.
- A full-time student admitted with third year (junior) status to MU will be able to complete a Bachelor's Degree at MU within four regular semesters provided that the student completes the appropriate Associate's Degree program requirements at LCCC and completes and appropriately sequences their remaining required course work at MU. Exceptions to this are programs with extended internships and clinical experiences, and certain five year programs.
