60 classroom & 40 clinical hours

Topics include:

- Physical assessment
- Documentation
- Medication
- Intravenous therapies
- Healthcare technologies

The Program at a Glance

Are you a registered nurse who left the field years ago, and now wish to return? How long has it been? Five years, 10 years, 15 years, or more? Don't know where to turn to get back into the profession? LCCC has the re-entry program you have been seeking!

For nurses, the calling never really goes away. Patients need the care and compassion that only you can give them. So, we invite you to come back to nursing.

Our comprehensive program consists of 100 hours of training, including 60 hours of classroom instruction and laboratory experience and 40 hours of clinical experience.

Course Outcomes

Thoroughly prepared and confident in your education, as a graduate of LCCC, you will be ready to create the career you can imagine.

Graduates of our 100 hour program will be awarded a Certificate of Achievement, plus 10.0 Continuing Education Units (CEUs).
