

King's College - Nursing RN to BS in Nursing Degree

Bachelor of Science (BS.)

Graduates of associate degree and diploma programs of Nursing, after obtaining licensure, may enroll in the Bachelor of Science in Nursing degree program. The BS in Nursing degree requires a minimum of 120 credits and includes 3 graduate credits that may be applied to a Master of Science Degree Program in Nursing.

Credits are earned through transfer and advanced placement. A total of 35 advanced placement credits for nursing course work completed in a state-approved, nationally accredited associate's degree or diploma nursing program are awarded after registration of the first nursing course. After a transcript evaluation has been completed, the student completes the necessary individually determined King's core credits along with 26 credits of upper division nursing course work in the professional nursing major. The maximum of 60 transfer credits will be evaluated by the Registrar and posted on the student's transcript. Course work includes one clinical practice course in community health, with a focus on primary care and leadership. Students who already have a baccalaureate degree will need to take an additional 26 BS level nursing credits and 4 credits of any electives at King's to meet the minimum of 30 credits of residency and the 120 credits required for the Bachelor of Science Degree in Nursing. A cumulative grade point average of 2.0 or higher is required for admission.

Core Requirements				Credits	Notes/Instructions
College Sem.	TR	Quest for Meaning	CSEM 100	3	†A student may be required to take ENGL 105 and/or MATH 100 based on placement exams administered prior to their first semester at King's College. ENGL 105 and MATH 100 are 3-credit courses and will count as free electives. †† The Intercultural Competence requirement can be satisfied by taking a 100-level language class for 3 credits or participating in an approved Study Abroad experience. SBM = Satisfied By Major requirement listed below. TR – Courses transferred in per RN degree
Communication & Creative Expression	TR	Writing	ENGL 110†	3

Total Major Credits		61	Total Elective / Other Credits		9

Total Credits Required for Graduation = 120 (includes transfer credits)

General Information:

A student must earn a minimum of 120 credit hours to be awarded the baccalaureate degree. The number of credit hours required for graduation may be higher in certain major programs or if the student elects to pursue a second major. Beyond the requirements of the Core Curriculum and of a student's chosen major program, the balances of the credit hours required for graduation are "free electives."

Nursing – RN to BS in Nursing Degree

Suggested Sequence

A suggested course sequence of degree requirements is listed below. Refer to the college catalog for course titles, descriptions, and prerequisites. Always consult your Academic Advisor when planning and scheduling your classes.
