Project: PA Act 153 - Background Clearance Requirement

Act 153 – The Pennsylvania state legislature sought to strengthen protections for children in the PA Child Protective Services Law. The law went into effect on December 31, 2014 and now requires colleges and universities to obtain background clearances for any individual having routine interaction with children at the college or in a college-sponsored program, activity, or service. This requirement applies to college employees, volunteers, independent contractors, and students. This law requires mandatory reporting of suspected child abuse directly to the PA Department of Human Resources.

All Contractors will be required to obtain the three (3) mandatory background clearances: 1) PA Criminal Background, 2) PA Child Abuse History, and 3) FBI Cogent Clearance Fingerprinting.

These clearances must be provided for all contractor representatives/employees who will be on the campus of Luzerne County Community College (“College”) or will interact with students/minors to perform the work awarded. If you are unable to obtain these state required background checks, you will be ineligible to perform work at the College.

Below are the following required clearances and instructions to obtain them.
