

Preferred Name Change Request Form

This form is to be used for students who wish to use a preferred first name rather than their legal name.

By completing this form, you give permission to the College to modify your first name to the name by which you prefer to be addressed. Your preferred first name will be displayed on faculty class rosters and grading forms, so this is the name by which your instructors will know you. In addition, this name will appear on staff display screens. Your legal name will still be used on your academic record and in written communications from the College administrative offices.

PLEASE NOTE: This form does not change your official legal name on your LCCC academic record. If you have officially changed your legal name, you must submit a *Legal Name Change Form* to the Admissions Office, along with required documentation, to change your legal name on your official LCCC record.
