

Diversity

Event: _____

Date: _____

Student ID: _____

Major: _____

Age: _____

Gender: _____

Work: Full-time _____

Part-time: _____

The purpose of the College's focus on Diversity is multifaceted and designed to foster the College's General Education Competency of Developing a foundation of personal growth and development. Through a variety of events and learning experiences, students will develop an understanding (knowledge) of the of diversity in society, develop the ability to understand another's perspective (empathy) regarding diversity, and identify and engage in actions (civic engagement) related to diversity. Separately and in combination, these opportunities are designed to enhance the personal growth and development of students.

The Following Questions Ask You To Reflect On What You Learned About Diversity Through The Events And Opportunities

1. Describe the event(s) or activity (ies) in which you participated related to diversity.

2. Identify and describe three things you have learned about diversity locally, nationally, or globally.

3. Has learning about Diversity changed your perspective, attitudes, or beliefs about the lives and experiences of other people? Explain.

Diversity

4. Will you make or have you made changes in your behavior as a result of this new knowledge? Explain.

5. How have you used or will you use what you have learned about Diversity now or in the future?

Satisfaction Survey

Comments Please check the number that indicates your satisfaction with the following	Very Satisfied 5	4	3	2	Dissatisfied 1
The event was relevant to my course work					
The event provided the opportunity to understand another perspective.					
The event increased my understanding of diversity.					
Although the event was not relevant to my coursework, it enhanced my academic experience and/or my personal growth.
