Professional Truck Driving Program
DOT Physical and Drug screening information.

All students MUST pass a DOT physical and drug screening to be eligible to enroll in the Professional Truck Driving Program. Luzerne County Community College has made arrangements with MID-STATE Occupational Health Services, Inc. to test potential students.

YOU MUST Call:

**MID-STATE Occupational Health Services, Inc.** within 24 hours of registration to make an appointment for the physical and drug screen. The telephone phone # is 570-970-2300.

Tell them that you are calling to make an appointment for the LCCC Truck Driving Program’s DOT physical and drug screening tests.

Directions to MID-STATE from LCCC:
